Dear Mr. Cherne:

You have received two earlier versions of this "program to improve economic intelligence," which you cited in your report of last December. Now, at last, here is the final draft. I invite your reaction.

I gather from [ ] that you are updating your earlier report and will be forwarding this to me. We will be most interested in this paper as further help in our joint endeavors.

I plan to circulate copies of this program to USIB members and others in the Government, who are concerned with economic intelligence. In addition, I plan to include portions of it in my FY 1975 Annual Report to the President.

Sincerely,

/s/ Bill

W. E. Colby
